

Future Problem Solving of Virginia

2008 State Bowl

Participation Contracts

The Future Problem Solving of Virginia State Bowl you have elected to attend offers many unique opportunities and experiences. Beyond the educational benefits, you will have a chance to form new friendships and to meet the challenges of independence. We at Future Problem Solving promote an atmosphere where chaperones and students support one another with genuine respect. As a student participant, it is your responsibility to demonstrate high standards of conduct and to accept personal responsibility and consequences for your actions. You are expected to exhibit honesty, courtesy, and consideration toward others. Our goal is to make the state bowl a safe, educational, and enjoyable experience for everyone. We ask each individual's cooperation and commitment to the following behavior guidelines to help us meet this goal:

- The student is to obey the rules and regulations established by chaperones both prior to and during the trip and follow the directions of coaches, chaperones, and Future Problem Solving officials.
- The student shall not be involved in any way with smoking, alcohol, illegal drugs, vandalism, theft, or any other type of behavior that is judged by the chaperones to be detrimental to the health, well-being, safety, or reputation of him/herself or anyone else in the group including chaperones, Future Problem Solving, Norfolk Public Schools, or Blair Middle School.
- The student should never leave the school or hotel unless accompanied by other team members and/or a chaperone and remain with the group at all times.
- Good common sense, respect, and consideration for others should be the standard practice of the state bowl. If a student violates any of these rules, he/she may be sent home at the sole discretion of the chaperones. In such cases, the parent/guardian will be contacted and the student sent home at the parent's expense.
